THE LOG-BOOK

The U. S. Army transport Sheridan, Quartermaster Captain Babcock in command, should arrive in this city either this afternoon or tomorrow morning. She brings down Company G, of the U. S. Engineer corps, and the Seventh Infantry, the former organization being bound for this city and the latter for the Philippines. Brigadier-General R. D. Potts is the ranking officer on board.

The Hyades, of the Matson line, bringing lumber for the replanking of the Hackfeld wharf, arrived in port yesterday afternoon. Her officers have brought themselves into what might be termed disfavor on the local waterfront and throughout this city by indiscretion in talking to Tacoma newspaper men on subjects which the local press has been chary of handling. The Hyades will load with sugar and other freight for San Francisco.

The sailing of the Mongolia for the Orient last night was a gala event at the Hackfeld dock. A very large crowd of local people were on hand to see the Fairbanks party leave and naturally included a number of the most prominent people of the city.

It is announced that the attempt to repeal the Coastwise shipping law as regards Hawaii will be started again in the December session of Congress. The Merchants Association and the Chamber of Commerce will be asked to back the fight and help along the bill which Delegate Kuhio has reintroduced in Congress. The sentiment on the waterfront is naturally against the bill, though the general feeling in the city is strongly in its favor.
